

Red Ribbon Week

October 25th—29th

The 2021 Theme is “Drug Free, looks like me!”

Red Ribbon Week started in 1985 to promote drug prevention activities. We focus on making safe & healthy positive choices.

BCPS sponsors a poster and essay contest. (Essays will be written in school) All entries should relate to the theme. Posters must be student-generated and created by individuals, not classrooms or groups. The contest will be divided by Early Primary (K-1), Late Primary (2-3), Intermediate (4-5).

I hope your child chooses to be creative and enters our poster contest, too! These can be made at home where they have various resources. Posters must contain the theme, be on poster-board size 22”x28” and student generated (not computer-generated).

Please have all entries to your child’s teacher by Monday, November 1st.

Dress-up days for Red Ribbon Week are listed on the side. We look forward to going on this drug-free journey with you!

Monday—Oct. 25th

“Drug Free, looks like ME!”

(Wear all the red you can to send the message...I am drug-free!)

Tuesday-October 26th

Your future is bright without drugs!

(Wear neon clothing)

Wednesday, October 27th

“I am too cool for drugs!”

(Wear your sunglasses)

Thursday, October 28th

“I am smart and choosing to be drug-free!”

(Wear your favorite college team shirt)

Friday, October 29th

“Hocus Pocus keep your dreams in focus!”

(Wear your orange and black!)
