Bus Driver of the Month
Tammy Bleemel
#403

August 2017

Ms. Bleemel has been a bus driver for BCPS since August 2015. She drives for Bullitt Central High School, Bernheim Middle, and Cedar Grove Elementary. Ms. Bleemel was nominated by a parent from Cedar Grove Elementary School and two of her coworkers.

“Students love her. She’s willing to do anything to help families. Always watching out for student’s safety and follows the rules given to her by the schools!”

“Tammy gets pulled from her route and asked to sub and never complains, even though it wears her out. Her kids miss her when she’s not there and that’s a direct reflection of how she treats them.”

“I think Ms. Tammy needs to be recognized for her team player mindset. I have noticed for the past two years she has been taken off her own route when we’ve been short of subs and she has always done so without complaint or anything less than a smile. I also recently heard her telling how she set up her own Remind App account to let her students and parents know when her route was being split up so the office wouldn’t get as many calls. I know many drivers help out others often, but I have noticed Tammy especially. I know for a fact she has even come to work when she was sick so we wouldn’t be short staffed. Tammy Bleemel, you da real MVP!”

Bus Driver of the Month
Lloyd Dooley
#1313

Mr. Dooley has been a bus driver for BCPS since February 2008. He drives for Bullitt East High School, Mt. Washington Middle, and Crossroads Elementary. Mr. Dooley was nominated by a parent and student from Bullitt East, a student at Mt. Washington Middle, and a staff member at Crossroads Elementary.

“Always has a smile on his face. Cares about EVERYONE! You can see the love he has for all his kids, elementary thru high school. He is awesome. If we’re running late, he may wait or stop. Always happy and makes the kids feel good. Always waving.”

“Always kind, always smiling. He talks to us. Treats everyone respectful.”

“Mr. Lloyd is an amazing bus driver! He greets each kid with a smile, asking about their day, even making it personal by asking about things specific to them. He has such a good attitude about his job and about the students. This past month our school had two separate open houses totaling well over 5 hours for both combined. Mr. Lloyd came to both open houses, was here early and stayed until the last student left. I know bus drivers are paid to attend 2 hours of an open house but he volunteered his time to ensure he was available to answer any and all bus related questions. I complimented him on his willingness to be at all open houses. He stated, ‘sometimes open house is the only chance you get to make a connection with the parent.’ He genuinely cares about these kids and their families. He goes above and beyond each day and we are thankful to have him on our team!”

Kay Maynor  
#711

Ms. Maynor has been a bus driver for BCPS since May 2017. She drives for North Bullitt High School, Zoneton Middle, and Freedom Elementary. Ms. Maynor was nominated by a transportation staff member.

“Kay is a brand new driver and has been asked to drive several routes other than her own and hasn’t said a negative word. Keeps the smile on her face the entire time even though she is being pulled in different directions nearly every day. For a rookie...this is worth recognition. She has really stepped up in our time of need.”
